LindaBCooper@verizon.net

**TIME:** 10:00 AM - 3:00 PM

**RESERVE BY:** June 8, 2019

**Details:** Looking for the perfect sloth pattern, STOP your search and come to Trinity Presbyterian Church on June 15th, for Sloth Day. Our chapter Community Service for 2018 (continuing into 2109) is to make these cute animals for the county ambulance services. The sloths will be given to young children in need of emergency services by the SunStar Ambulance company. Spend a day socializing with sister sewers and help make this 3 toed Sloth who loves snoozing, sleeping, and hanging out giving comfort to young children in need.

No need to bring fabric as we have lots left from last year. If you have an embroidery machine, please keep making faces and get them to us before this sew in day or bring them with you on the 15th.

Bring your sewing machine or use one available there, be a sloth cutter, or a face designer. Just come and have a fun day with sewing sisters. Bring a smile to a young child in need.

For lunch we are asking you to bring whatever you would like to eat. We will have snacks and water. There is a refrigerator

**Directions:** The church is on the corner of S. Hercules and Rainbow Drive. and takes up the whole block through to S. Cirrus Ave. Enter the building at the double glass doors that face S. Cirrus Ave.
